

Hello Neighbors,

Attached is some information that I thought would be helpful to us all. As you know crime has risen in our area and the attached websites will email you the latest crime statistics recorded by the Burbank Police Department, Neighborhood Watch, and more.

Also for your information, is a City of Burbank Community Resource Phone List that you may want to hold on to.

Thank you,

Your Association Board

# *Neighborhood Watch*

Burbank side of Toluca Lake

Hello Neighbor,

My name is Jill Share and I am the Neighborhood Watch Captain for the Burbank/Toluca Lake area. I have joined forces with Cameron Wardlaw and Stephanie Minton the Neighborhood Watch Captains from Warner Blvd. to expand the Neighborhood Watch program for our area. We're very excited about providing you with information for what is important to *you.....your safety, the safety of your family, and your home.*

We meet with and share information with the Toluca Lake Neighborhood Watch program on the North Hollywood side. (The line which separates the cities runs down Clybourn Ave.) The information you can expect to receive is: crime statistics and updates, and important emails from your neighbors when they see a person in the neighborhood who appears suspicious. You will also be alerted if a robbery has taken place within our neighborhood, so you can be more aware of what is going on in the

Remember: The more eyes we have on the streets the safer we'll be.

According to the Los Angeles Police Department...

***"Neighborhood Watch programs are the most effective means available for keeping crime out of our neighborhood."***

We will be sharing all the information we receive via email as soon as we can.

If you are interested in joining our confidential email list, please email me with "Neighborhood Watch" in the subject line.

Thank you for your time. We hope you will join us in making our neighborhood a safer place to live.

Your Neighbor,

Jill Share
